Here at the Davie Summer Performing Arts Program our goal is to ensure that all children, ages 7-12, are provided the opportunity to experience the performing arts by offering an affordable alternative to the programs which are offered throughout the summer. By using the performing arts as a tool, we teach children valuable life skills such as self-confidence, risk-taking, and working with others toward a common goal. Focusing on cooperation in a noncompetitive atmosphere, children are allowed to learn, grow and explore new ideas.
